Care, Comfort and Companionship at Burnham Lodge

We are excited to tell you about our pen pals in the New Forest. We have been making new friends and learning about life at Bethel House care home in New Milton thanks to our 'Postcard Club'. Our residents write postcards and we post them to our new friends and patiently wait to receive a note in the post!

It was great to welcome Alex, Peter and Millie from Wrexham Park hospital Dementia Care team recently to learn and share ideas to support those who live with dementia. We discussed ways to support patients in hospital living with dementia.

A Review from carehome.co.uk

Burnham Lodge is very welcoming with its lovely building and grounds. All the people are wonderful (carers, nurses, reception, activities coordinator, cleaners, maintenance, kitchen etc) and have become good friends. They look after my father very well and gives the family great comfort that he is safe.
