Care, Comfort & Companionship at Stokeleigh

At Stokeleigh, good fun is simply at the heart of everything we do! Recently, we hosted a spooky, but fun, Halloween party with fancy dress and home-made decorations. It's been great to enjoy the autumn sunshine in our gardens and also at Bristol Botanical Park, where we learnt about exotic plants.

Thank you to our friends at 'Alive Activities' who have supported us during a two-year 'Communities of Interest' project. We are thrilled that Muddy Boots Day Nursery visit us at Stokeleigh regularly to read stories, sing songs, make cakes with play dough and have a good giggle. We visited Windmill Hill City Farm with the children and we laughed a lot when we tried the Dragon swing and hope to do it again soon!

Christmas Quiz:

1. What should little children leave out for Santa on Christmas Eve?
2. Which reindeer's name starts with a "B"?
3. Who is Ebenezer?
4. Which country did the gingerbread house come from?
5. Who wrote "A Christmas Carol"?

A Review from carehome.co.uk

I was extremely impressed with the level of care at Stokeleigh. The staff are patient, kind and friendly to both residents and visitors. They dealt with my Grandmother's dementia symptoms and mobility issues effectively whilst allowing her to maintain her dignity as much as possible.
