## Fun is at the heart of everything we do at Stokeleigh

Christmas time at Stokeleigh was a fun-filled occasion with parties, carols, trips to see local light displays and Christmas wreath making! It was the first time we tried to make our own Christmas wreaths using willow and foliage, pine cones and baubles then we created a display of them around our home!

January began with some exercise to maintain our well-being! We wrapped up warm and set off for a trip to Portishead lakes for a nice stroll. On another day, we took a trip to Chepstow, where we enjoyed a walk along the river looking at the boats.

Happy New Year from everyone at Stokeleigh!

## Book Quiz:

1. In *Pride and Prejudice*, which of the five Bennet sisters is described by Jane Austen as, "the only plain one in the family"?
2. Famous author Roald Dahl wrote titles such as the 'BFG' and 'James and the Giant Peach'. He also flew a Hawker Hurricane plane, but in which war?
3. In F. Scott Fitzgerald's *The Great Gatsby*, who is the object of Jay Gatsby's affections?

## Our Favourite Activities:

We have a full activities programme where you can join us for arts and crafts, music and entertainment sessions, exercise classes and day trips.

Come along and join in! Our theme for January is 'well-being' month and in February we will be making the most of 'Library lovers' month to enjoy new hobbies and interests.
