Welcome to the home of fun: Stokeleigh!

We host a regular 'Sewing Bee' club in our conservatory where all the knitting, crochet and sewing fun happens! Janet has a great eye for detail, so she taught us some great stitch techniques using her sewing machine. Meanwhile, our gentlemen make bird boxes that are ready to be installed in the garden, thanks to Richard our Maintenance man! We're pleased to be involved in the "wishing washing line" project with community organisation 'Alive Activities'. Our residents have made a list of 'wishes' that they would like granted and they will be displayed in Co-op shops, so people can help us to fulfil our wishes! Meanwhile, Margaret and Janet love taking Toffee the puppy for walks and thanks to Muddy Boots Day Nursery for bringing the kids to enjoy story time with us!

Gardening Quiz:

Q1: Complete the missing word from this song: "Why do you build me up, -----, baby just to let me down, mess me around...?"

Q2: What is the national flower of Wales and worn on St David's Day each March 1st?

Q3: There is a pretty little flower that shares its name with a musical instrument. Which is it?

Our Favourite Activities:

We have a full activities programme where you can join us for arts and crafts, music and entertainment sessions, exercise classes and day trips. Sunday 31st March is Mothers' Day and you are invited to join us for a traditional afternoon tea!

Our theme for March is 'craft' month. In April, we will be making the most of 'garden' month to plant seeds, nurture the shrubs and enjoy the spring weather!

Come along and join us!

Speak to Kelly if you would like more information.
